About Us

Jana Marine Services Co. LLC has been dedicated to becoming a comprehensive marine solutions provider for the Middle East offshore energy industry since its establishment in **2013**. As part of the prominent business and industrial conglomerate Rashed Al Rashed Group & Sons, Jana Marine benefits from a strong foundation and extensive expertise in operations within Kingdom.

The company operates a fleet of **36** offshore support vessels, which includes **10** self-propelled jack-up barges, Saturation Dive Support Vessel, workboats, utility boats, supply vessels, mooring vessels, and crew boats. Jana Marine provides reliable offshore support services to major oil and gas producers across the Middle East .

About Us

- Our expending skilled labor (**1800+**) is well experienced in Offshore Hook up, Upgrade, Modification, Installation, Fabrication, Platform Maintenance and Commissioning Support Services.
- Additionally, Jana Marine offers a comprehensive suite of services, including vessel chartering, ship agency, material procurement and supplies, safety services, project supervision, skilled construction labor, and the provision of marine and offshore construction equipment. We also specialize in executing offshore Lump Sum Turnkey (LSTK) projects, with expertise in scopes such as hookups, security systems, installation, repair, and maintenance (IRM) services, as well as subsea diving operations.

About Us

Our Vision

To be a leading best-in-class integrated Marine Services provider to Offshore Oil & Gas Industry in the Kingdom and beyond that sets benchmarks in Customer Satisfaction, Health, Safety, Quality and Environmental Standards.

Our Mission

To provide a value based Marine Services to Offshore Oil & Gas Companies by adhering to ethics, establishing successful partnerships and keeping constant focus on customer satisfaction.

Our Values

We accomplish our goals and objectives of being the most trusted Marine Services and Construction Company known for efficiently delivering services of superior quality by nurturing talent with right Attitude, Integrity, Honesty and Justness.

Our Services

Major areas of expertise and services offered:

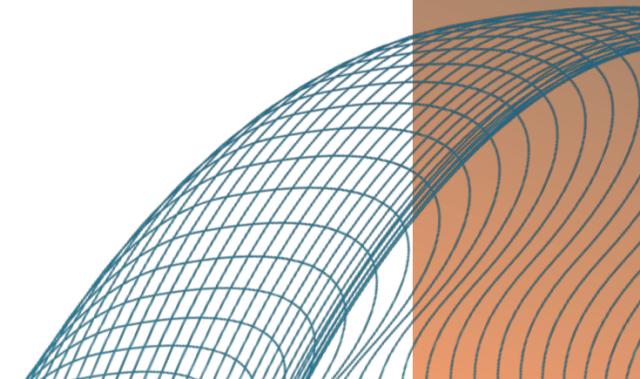

- Full Charter Vessel Services
- Offshore Hook-up and Commissioning services
- Supply offshore/onshore Equipment and Skilled Manpower
- Specialized fabrication works
- Installation of Offshore & Onshore facilities
- Marine Agency Services
- Offshore Manning Services
- Offshore Catering and Janitorial Services
- Marine logistics
- Material Procurement and Material Handling
- Mechanical and Electrical Maintenance Works
- Fabrication Yard

Offshore Marine Support

Jana Marine is a leading ship owning company specialized in the operation and maintenance of Self Propelled Jack ups and offshore support vessels. Our fleet provides critical support services for offshore Oil & Gas projects, including hookup, upgrades, modifications, SCADA installation, and commissioning of offshore wellheads for tie-in operations.

Our fleet consists of state-of-the-art vessels, specifically designed and equipped to meet the demanding requirements of the Oil & Gas industry in the Middle East. Each vessel is fully compliant with the latest safety, environmental, and regulatory standards, ensuring reliable performance across a wide range of offshore operations. These include subsea operations, offshore construction, maintenance, support for exploration as well as logistics and transportation services. Our vessels are equipped with advanced SMART technologies and specialized equipment to efficiently carry out complex tasks, ensuring safe and successful project execution in challenging offshore environments.

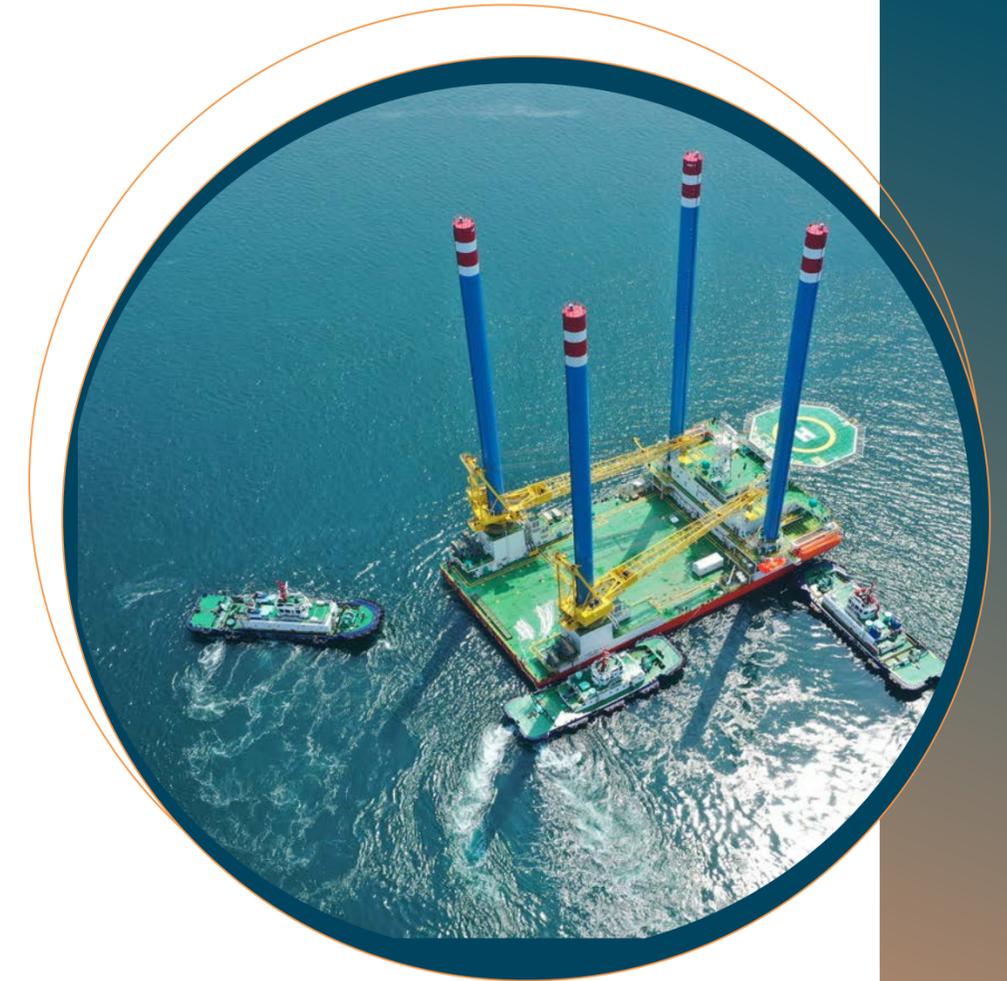

JMS Fleet

Jana Marine have more than **36** Vessels including:

- VSP Mooring Vessel - **(02)**
- Supply vessel - **(02)**
- SAT Diving Vessel - **(01)**
- Fast Supply Intervention Vessel - **(01)**
- Jack Up Barge - **(10)**
- Work Utility Vessel - **(08)**
- Crew Supply Vessel - **(12)**

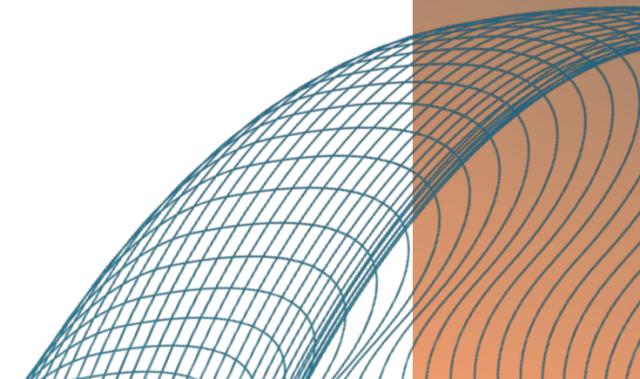

Hookups & Commissioning

Since its inception in **2013**, Jana Marine has been a trusted contractor providing specialized Hookup and Commissioning services to Saudi Aramco. Over the years, we have consistently delivered high-quality, reliable services to support the seamless integration of offshore facilities. Our experienced team ensures the efficient execution of projects, adhering to stringent safety, environmental, and regulatory standards, while maintaining a strong focus on delivering exceptional value to our esteemed client.

Jana Marine specializes in a broad range of offshore services, including marine logistics, topside maintenance, offshore wellhead tie-ins, upgrades, and modifications. We provide comprehensive solutions, including the supply of offshore equipment and skilled personnel, as well as specialized fabrication services. Our expertise extends to pre-assembly, installation, pre-commissioning, and commissioning support for offshore platforms and facilities. Additionally, we offer offshore hookup and commissioning services, along with the maintenance of mechanical and electrical systems, ensuring seamless operations and compliance with industry standards.

Procurement Services

Our dedicated marine construction procurement team provide cost effective and efficient solutions to:

- **Asset Ownership:** We own and operate logistics trucks and a central warehouse located in the Eastern Region of Saudi Arabia, ensuring reliable and efficient supply chain management for diverse project needs.
- **Value Delivery:** We are committed to delivering the best overall value to projects and clients by balancing quality, cost, and time efficiency at every stage of the procurement process.
- **Procurement Compliance:** We ensure full compliance with industry regulations and standards, maintaining the highest level of operational integrity throughout the lifecycle of every project.
- **Cost Containment:** We implement best practices to effectively control costs, optimizing resource allocation and minimizing waste while ensuring that project budgets are adhered to.
- **Ethical Standards:** Our team operates within a strict code of ethics, upholding transparency, integrity, and accountability in all procurement activities.
- **Environmental Responsibility:** We proactively identify and recommend environmentally responsible practices, integrating sustainable solutions into procurement strategies to minimize the environmental impact of our projects.
